

# 2023 Benefits Open Enrollment

## Payroll and Employee Benefits

### Over Age 65 Retiree Health Plan

The deductible, coinsurance and out-of-pocket maximum is remaining the same for 2023. The monthly premium for both medical and prescription coverage will also remain the same for 2023. **Please note:** the medical and prescription premium does not include your Medicare Part B premium.

### Prescription Benefits

Your prescription drug benefit continues to be a group-sponsored benefit administered by Express Scripts under the Medicare Part D program. This plan is called **Express Scripts Medicare®** for Ball State University. If you need a replacement insurance card, please contact Express Scripts at 1-855-315-8526 to request a new card.

### Dental Plan Highlights

There are no dental plan changes for 2023, but here is a reminder of our current benefit:

- Preventive fluoride treatments, x-rays and sealants are covered at 100%\*.
- Basic Service benefits for Delta Dental PPO network providers continue to be paid at 85% while Delta Dental Premier network providers remain at 80%.

\*Some services are subject to deductible and/or age restrictions.

## The 2023 Benefits Open Enrollment

The 2023 Benefits Open Enrollment is scheduled for **October 25, 2022, through November 10, 2022**. As always, it is our goal to keep costs as low as possible for both you and the University while maintaining quality coverage and compliance with healthcare laws and regulations. If everyone on your plan is over age 65 and you are making no changes to your coverage this year then you do not need to do anything and your benefits will roll over to the new year.

The January 2023 bill will be processed and mailed in February 2023. You are welcome to pay more than one monthly installment if you prefer. Simply multiply your monthly amount due by the number of months you would like to pay.

If you utilize Ball State's eBill website to pay your bill you are now able to see all transactions since your last billing statement, print duplicate receipts for any payments; make credit card or ACH payments online, and save payment methods for quick reuse.
