2. An eligible employee may enroll for up to six credit hours per fall semester, up to six credit hours per spring semester, and up to six credit hours during any combination of summer terms. All Ball State classes are included in the credit hours limitations.
3. An employee is eligible for this benefit effective upon their date of hire into an eligible position. The official University start date each semester or summer term will determine eligibility to enroll in classes based upon the employee's date of hire.
4. An application for tuition remission under this program must be submitted in ServiceNow by no later than 5:00 p.m. the first day of classes of the semester in which the student is being enrolled and is not retroactive to prior semesters. This includes the first day of summer semester for all summer classes, regardless of the summer session for which the tuition remission is requested.

After registration for classes is completed, the employee must submit the online ServiceNow form. After approval by the supervisor, administrative head, and vice president of the area, this request is forwarded to Employee Benefits for final review and clearance. Requests received by Employee Benefits after the first day of the semester will not be accepted and/or approved for that semester.

5. The course(s): (a) must be taken outside scheduled working hours, or (b) an equivalent adjustment must be made in the employee's work schedule, or (c) the time away from work must be deducted from the employee's posted paid time off (PTO) balance, or (d) an equivalent adjustment must be made in the employee's pay. The supervisor will specify if option a, b, c, or d is applicable. An employee will not be permitted to register for more than one class for a maximum of four

- (4) credit hours per semester or summer term during his or her regular work schedule.

    - C. The employee receives a mark of “Incomplete” (“I”), and it is not converted to a passing grade within one calendar year following the end of the term in which the course was taken or the date employment terminates, whichever is earlier.
    - D. The employee withdraws from the University after the date specified for a 100% tuition refund according to the University’s refund schedule.
