Ball State University Board of Trustees
Participation by Electronic Communication

Article II, Section 6 of the Bylaws of the Ball State University Board of Trustees provides:

Participation by Electronic Communication. A Trustee may participate in a meeting of the Board by electronic communication if the Trustee uses a means of communication that permits the Trustee, all other Trustees participating in the meeting, and all members of the public physically present at the place where the meeting is conducted to simultaneously communicate with each other during the meeting. However, if any Trustee participates in a meeting of the Board by electronic communication, at least three (3) of the Trustees must be physically present at the place where the meeting is conducted, and all votes of the Board during the meeting must be taken by roll call vote. A Trustee who participates in a meeting by electronic communication is considered to be present at the meeting, shall be counted for purposes of establishing a quorum, and may vote at the meeting. Notwithstanding the foregoing, each Trustee is required to physically attend at least one (1) meeting of the Board annually and is encouraged to physically attend all meetings, if possible.
