We deliver and pick up equipment to support events, large and small, on campus. Equipment Requests (B24s) are available to all departments within the University. Our equipment is available on a first come, first serve basis. We are able to supply your department with tables, chairs, staging, podiums and coatracks at no cost to your department.

**Timing:**

- Equipment must be ordered **at least three (3) business days in advance** of the requested delivery date.
  - Any request outside of our regular business hours will be charged to the department requesting. Please see our Overtime Chargeback policy.
  - It is very difficult (and at times not possible), to fill last-minute requests.
- We understand that event details change, this usually is not a problem if you contact us well before your event. This can be done by sending an email to the Assistant Director of Purchasing at: ajarison@bsu.edu or Erin Williamson at eewilliamson@bsu.edu.
  - Please provide us with the requisition number and the changes you wish to make.
  - Changes sent less than one business day prior to delivery may not be possible.
