

## INTERNATIONAL STUDY WORKSHEET

If you plan to collect data internationally, please fill out this form and submit with your IRB application.

<b>Project Title</b>	
<b>Name of Principal Investigator</b>	
<b>IRB Protocol number #</b>	

### SECTION A: Research Information

1. Where is the research being conducted (project location, city, country)?	
2. Who will collect the data?	<input type="checkbox"/> PI will travel to the location and collect data. <input type="checkbox"/> Other BSU researcher(s) will travel to the location and collect data. <input type="checkbox"/> Local researcher(s) will collect data. <input type="checkbox"/> Data will be collected virtually or remotely. <input type="checkbox"/> Other(describe:       )
3. Are there any cultural, political, or economic situations in the country where the research will be conducted that might increase the risks for participation?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> I don't know
4. If yes, describe these risks and what steps the researchers will take to minimize these risks.	
5. Is there are any other relevant information about the location or country? If yes, describe.	

### SECTION B: International IRB Equivalents and other

6. Is there an ethics committee equivalent to IRB that requires review of research in the country where research is being conducted?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> I don't know
7. If yes, provide the information.	
8. Are there any other regulatory agencies or organizations that require review prior to human subjects' research, such as drug companies, community leaders, stakeholders, etc.?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> I don't know
9. Are there any mandatory reporting laws that apply to your research in the countries/regions (e.g., mandatory reporting of child abuse and neglect)?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> I don't know

### SECTION C: Communication

10. Do participants speak English? If not, describe how you or the research team member(s) will communicate with participants.	
--	--

11. Describe how the researcher(s) collecting data internationally will communicate with BSU IRB in the event the project requires changes or there are reportable events.
