*Libya* is a country in the Maghreb region in North Africa. It borders the Mediterranean Sea to the North, Tunisia to the northwest, Algeria to the west, Niger to the southwest, Chad to the south, Sudan to the southeast, Egypt to the east and the Mediterranean Sea to the north. Tripoli, the capital, is considered the largest city and is located in western Libya. The other biggest city is Benghazi located in the eastern part of the country. The arid Sahara makes the climate very hot, but it is refreshed by the Mediterranean Sea along the coast.
