6. Questions Directed to the President Mearns: President Mearns and Provost Rivera-Mills were both present.

President Mearns greeted the University Senate members and guests. He provided an update regarding the status of the end of fiscal year financial report. The three million deficit earlier projected has been remedied through the efforts of the university divisions to rectify their budgets. President Mearns also reported the university has received an all-time record high of freshman application, around 27,000 for the fall of 2019. The admitted and confirmed student numbers are higher than usual and the trend remains positive. The area that needs examined is freshman to sophomore retention. President Mearns asked the Senators to continue brainstorming ideas on how the university can increase the number of freshmen returning for their sophomore year. He also stated that graduate admissions numbers could use some improvement as well.

President Mearns entertained questions. Question topics included but not limited to the following:
- In regards to retention, what are some ways we can detect this earlier and provide assistance?
- With the increase in enrollment, how do we maintain the unique and attractive character of smaller class sizes?
- With recent withdraws from a multi-state tuition reciprocity program, is our university flexible in tuition?

In closing, President Mearns reminded everyone of the One Ball State Day on April 9, 2019 and encouraged everyone to participate in the 24 hours of fundraising through sharing your support on social media, wearing your Ball State gear and joining the One Ball State Day events on campus, referencing the email announcement sent out earlier in March 2019. President Mearns also announced a Centennial Celebration Closing on Friday June 14, 2019 beginning at 1:00PM. This celebration will include a picnic in the old Quad area.

7. Question and Answer Period:
There were no additional questions.

8. Unfinished Business:

A. Dissolution of the Online Distance Education Committee- Trudi Weyermann
Tarek Mahfouz explained this was brought to us at the last meeting on February 28, 2019 and was tabled for later discussion. There was a motion made and seconded for discussion that remains open. Discussion ensued.

A motion was made and seconded to approve the dissolution.
Everyone is opposed.
The motion does not carry.

Tarek Mahfouz explained the recommendation is for this item to be sent back to the University Council charged with the request to work in collaboration with the Online and Distance Education department to create an Ad hoc Committee to best address the department’s needs.

A suggestion was made that a tutorial be provided at the first fall University Senate meeting to give background information on the governance system structure and functions.

9. New Business: There is no new business at this time.

10. Other Items:
Karen Kessler would like to determine appropriate methods to increase accountability in committee work being completed. It was determined that committees should be submitting a year-end report to the governance office.

A motion was made and seconded to adjourn at 4:47 p.m.
Motion carried.

Respectfully Submitted,

Laura Helms, Secretary

With the launch of the new strategic plan, we have also updated the University Mission. That being said, for all Senate documents, can we make those changes to the current mission? Is there a process I need to complete to make those changes? Below I have pasted our new mission.

*Our Mission: We engage students in educational, research, and creative endeavors that empower our graduates to have fulfilling careers and meaningful lives enriched by lifelong learning and service, while we enhance the economic, environmental, and social vitality of our community, our state, and our world.*

Let me know what I need to do to help with this process.

Thank you!

FROM: Mike Gillilan, Student Rights and Community Standards  
RE: Proposed changes to Code of Student Rights and Responsibilities for 2019-2020  
DATE: March 29, 2019

I look forward to meeting with you and answering your questions about the proposed changes to the Ball State Code of Student Rights and Responsibilities for 2019-2020. Below are highlights of the proposed revisions:

1. Many of the changes reflect changes to division and title names—
   a. the Division of Student Affairs and Enrollment Services is now the Division of Student Affairs;
   b. Vice President for Student Affairs and Enrollment Services/Dean of Students is now Vice President for Student Affairs;
   c. the office of Student Rights and Community Standards anticipates a name change this summer, and
   d. there is now a stand-alone Dean of Students to whom various procedural tasks are assigned;

2. Clarified definitions for existing violations (gambling, smoking);

3. Expanded section regarding accommodations for persons with disabilities;

4. Criteria for appeals in different areas are now consistently worded; and

5. Interim suspension section is moved and expanded to acknowledge use of interim restrictions less severe than interim suspension.

Please call me at (765) 285-5036 if you have any questions about this letter.

University Promotion and Tenure Committee recommends that all department and college committees, and the University P&T committee, should replace gender specific language such as “he”, “she”, “he/she”, “his”, “her” in their P&T documents with gender neutral language such as “the candidate” or “the faculty member”.

Sincerely,

Klaus Neumann
Chair, UPT Committee

April 15, 2019

Faculty Council (FC) asked the University Promotion and Tenure (UPT) Committee to consider adopting changes to the UPT Document regarding the process of Reconsideration after an adverse promotion and/or tenure decision. Specifically, FC asked the UPT Committee to consider:

a. Adopting language (see 35.7.1.2.1, 35.7.1.3.1, and 35.7.1.4.1) that requires candidates to specify, in writing, the reasons for requesting reconsideration, based on evidence found in their promotion and tenure file.

b. Adopting language (see 35.7.1.2.4, 35.7.1.3.4, 35.7.1.3.5, and 35.7.1.4.5) that requires a departmental promotion and tenure committee (or a college committee, dean, or the Provost, depending on where the initial adverse decision was made), after reconsidering the candidate’s request and voting/deciding to affirm an adverse decision, to address, in writing, each of the points the candidate has raised in his or her written request for reconsideration.

UPT Committee considered the suggested changes and, after deliberation, recommends adding the following language to the UPT Document.

Regarding request a:

Section 35.7.1.2.2: There are two permissible reasons to request reconsideration: 1) the department Promotion and Tenure Committee’s incomplete review of; or 2) misinterpretation of the promotion and tenure file. The candidate’s written request must address the specific examples of the submitted materials potentially not reviewed or misinterpreted. The written request shall be filed in the office of the department chairperson and forwarded to the Department Promotion and Tenure Committee.
Section 35.7.1.3.2: There are two permissible reasons to request reconsideration: 1) the College Committee’s or Dean’s incomplete review of; or 2) misinterpretation of the promotion and tenure file. The candidate’s written request must address the specific examples of the submitted materials potentially not reviewed or misinterpreted. The written request shall be filed in the office of the college dean.

Section 35.7.1.4.2: There are two permissible reasons to request reconsideration: 1) the Provost’s incomplete review of; or 2) misinterpretation of the promotion and tenure file. The candidate’s written request must address the specific examples of the submitted materials potentially not reviewed or misinterpreted. The written request shall be filed in the office of the Provost.

Regarding request b:

Section 35.7.1.2.4: After meeting to reconsider the candidate’s materials, the committee shall vote to overturn or affirm the previous decision. This vote supersedes the previous vote. If the decision is to affirm the initial adverse recommendation, the committee shall address, in writing, either in a detailed summary or by specific points, the reasons to affirm the initial adverse recommendation. The letter will be a part of promotion and tenure file.

Section 35.7.1.3.4: After meeting to reconsider the candidate’s materials, in cases where the committee made the initial adverse decision, the committee shall vote to overturn or affirm the previous decision. This vote supersedes the previous vote. If the decision is to affirm the initial adverse recommendation, the committee shall address, in writing, either in a detailed summary or by specific points, the reasons to affirm the initial adverse recommendation regarding the candidate’s written request. The letter will be a part of promotion and tenure file.

Section 35.7.1.3.5: In colleges where the Dean makes the decision, the Dean will inform the candidate of his or her decision following reconsideration. If the decision is to affirm the initial adverse recommendation, the Dean shall address, in writing, either in a detailed summary or by specific points, the reasons to affirm the initial adverse recommendation regarding the candidate’s written request. The letter will be a part of promotion and tenure file.

Sincerely,

Klaus Neumann
