CLINICAL EXPERIENCE

2010-Present

Center for Psychological Development, Muncie, Indiana

Licensed Psychologist. Conducting individual comprehensive evaluations, including cognitive, academic, attention, autism, adaptive, visual-motor, and social-emotional testing with children and adults in a private practice setting. Completing individual psychological reports summarizing evaluation results and incorporating specific individual recommendations. Conducting disability evaluations including mental status, intelligence, and memory testing and completing a written report. Providing supervision to doctoral level psychology students.

2009-2010

Riley Child Development Center, Leadership Education in Neurodevelopmental Disabilities Program, Indiana University School of Medicine, Indianapolis, Indiana

Post-Doctoral Psychology Fellow. Participated in interdisciplinary child development evaluations in the role of case coordinator (focus area is autism spectrum disorders). Conducted parent intake interviews, child interviews, and psychological testing including autism, cognitive, adaptive, behavioral, social-emotional, and visual-motor assessments. Wrote interdisciplinary evaluations, lead staffing meetings to determine diagnoses, provided feedback to parents, and develop recommendations. Supervised psychology practicum students in psychological assessment, interviewing, and report writing. Conducted research in the area of autism spectrum disorders and diversity.

Supervisor: Steven M. Koch, Ph.D., HSPP

2008-2009

Cummins Behavioral Health System, Inc. Avon, Indiana
Ball State School Psychology Consortium, Muncie, Indiana

Pre-Doctoral Psychology Intern. Conducted individual comprehensive psychological evaluations and interpreted test results. Completed individual psychological reports summarizing evaluation results, incorporated specific individual recommendations, and provided feedback to clients under the supervision of a licensed psychologist. Conducted intake assessments, determining appropriate services, and making *DSM-IV* diagnoses. Provided individual and family therapy as well as crisis intervention to children, adolescents, and adults with a variety of mental disorders. Participated in instructional rotations in alcohol treatment, Assertive Community Team services, dialectical behavior therapy, as well as weekly diagnostic staff meetings. (2000 hour internship).

Supervisors: Doris Ryan, Ph.D, HSPP, Armen Sarkissian, Ed.D, HSPP, Andrew Davis, Ph.D. HSPP.
