V. Old Business

RFI #23 2022-2023 1/19/20223 Assigned to Alanna Lewis
Please reconsider the steps and policies in place when using SciQuest and/or Chrome River. With the latest updates to funds/access and so on, the amount of hoops one has to jump through is outstanding in order to 'properly' submit a reimbursement, have it approved AND make sure that the FOAP is correct while then also submitting a form later in order to have the funds replenished in the foundation account.

February 14, 2023 – Update from Alanna Lewis
Amy is sharing the questions with Steven Wachtmann, Associate Vice President of Finance and Treasurer, and will have a response for staff council by the March meeting. There is a Foundation board meeting this weekend that they are preparing for and didn’t have the time to prepare a response. They are aware of the challenges people are facing on campus and have been in contact with department heads about a solution.

February 16, 2023 – This RFI remains open.

March 13, 2023 – Response from Amy McClure
It is important to note that the University and the Foundation are two separate entities. Both entities are required to follow the regulations and compliance rules established for each entity, including those relating to substantiation of expenses and withdrawals. The University (both the Controller and Budget Offices) and the Foundation have been working together to create automated processes to assist and expedite the withdrawal submission process.

March 16, 2023 – Discussion at Staff Council, we know they are working on it, we want more communication, and Alana will be speaking with the BSU Foundation.

04/19/2023 Response from Missi Jones, Director of Accounts Payable
Is it possible to get some examples of the specific issues/concerns for this one? We have many guides and trainings available online to assist with the proper submission of reimbursements, but if any of that needs clarification, we would be happy to know what those are so we can make them more useful to the end users.

04/20/2023 – Discussion at Staff Council: Alanna Lewis will coordinate a ZOOM meeting with Missi Jones to discuss specific examples that have been sent to Alanna.

05/15/2023 – Alanna is asking for detailed directions or a list of documents that the Foundation requires when submitting reimbursements.
06/13/23 – from Alanna Lewis: I am working on a draft copy of instructions on how to submit paperwork to the Foundation for withdrawals.

07/20/23- from Alanna Lewis: No conclusion at this time. Alanna met with Missi. Kate Stoss was asked to look into this as well.

08/17/23- Stephan Wachtmann has reached out to Lisa Bevans regarding this issue and we are awaiting word from them.

This RFI remains open.
