### Billiards Room Policy

The Billiards Room, located in the lower level of the Student Center is open to the Ball State University Community for free. Billiards cue sticks and balls are available at the information desk on the **first floor** of the Student Center. BSU ID card holders can check out the equipment at any time during normal business hours.

Any individual who is disruptive, interferes with the operations of the Student Center, refuses to follow health and safety protocols, or otherwise fails to follow this policy will be asked to leave the Student Center. Student Center staff may contact the parent or guardian of minors who are asked to leave due to failure to follow this policy.

The primary function of the Billiards room is to serve as an activity space for Ball State University students and their guests.

The Billiards room is a reservable space. The Billiards room can be reserved by recognized student organizations in good standing, departments, faculty, and staff for private events. If the space has been reserved for a private event, appropriate signage will indicate such. Reservations will have priority use of equipment and space. The Billiards room can be rented for private events through the reservation's office via [reserve@bsu.edu](mailto:reserve@bsu.edu).
