

Daimon Anderson (Any Pronouns) is a BFA Musical Theatre student from Fortville, IN. In their four years at BSU, they learned the beauty of utilizing their art for human connection and a deeper form of empathy and intimacy. They wish to help broaden others' understanding of what it means to be human through their work. Every person is their own world and it's beautiful to explore those worlds. Outside of acting Daimon enjoys video games, reading, tea, sharks and crows. As they continue to grow they hope to connect to others, share in heightened text stories and broaden human minds.
