

Transfer Fast Track Program

Program Overview

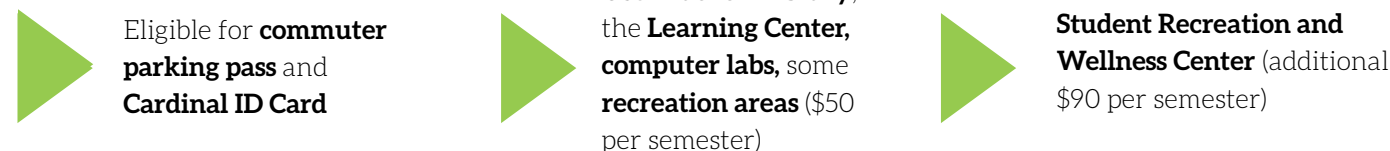

The Fast Track Program is offered by Ball State University in collaboration with Ivy Tech Community College. It allows Indiana residents who fall slightly short of our admission criteria but have a sound academic background the opportunity to attend Ivy Tech for one semester, complete 15 transferable credit hours (with a minimum 3.0 GPA), and transfer to Ball State for the following spring semester. The Fast Track Program is only available at eight selected Ivy Tech locations: **Anderson, Columbus, Fort Wayne, Indianapolis, Kokomo, Marion, Muncie, and Richmond**. If a student fails to meet the prescribed requirements listed below, they have the option to enroll in the Connect Program and fulfill the 24 credit hour requirement and a 2.0 or higher cumulative GPA for the year.

Please note: Ball State does not offer on-campus housing for this program.
