Submit all materials to Core Curriculum Office, NQ 336, University College by April 20, 2018

Lawhead Teaching Award In General Education

Nomination Form

Please provide adequate information for the committee to assess the nominee’s contribution to the University Core Curriculum program (teaching in and service to the program are given highest priority). Letters from nominators have been the strongest influence on decisions. A resume or brief curriculum vitae is helpful to the committee; however, it is not required. If you include portfolios, they will be returned. Attach additional sheets, as necessary.

Nominee ______________________________________________________________

Department _______________________________ Office _______________________________ Phone _______________________________

Nominator ________________________________________________________________ Phone _______________________________

Are you ☐ Student ☐ Faculty ☐ Administrator Dept. _______________________________
