

Public Information

The Planning Accreditation Board requires this information be posted for the Bachelor of Urban Planning and Development program.

Student Achievement

In a January 2022 survey of the graduating class of 2020, 75 percent of respondents said the department provided good preparation for their careers. 100 percent of respondents either strongly agreed or agreed that they were well prepared to work collaboratively with others, that they were prepared to analyze data quantitatively, and that they had been prepared to understand issues of equity and social justice. Internship supervisors rated our 2021 BUPD interns' performances at a 7.4 on an 8-point scale.
