Foundational Scholarship Worksheet
Diane Doberneck, Michigan State University

Foundational Scholarship What existing theories, conceptual frameworks, or other scholarship can guide your community engagement activities? What topics can you look for in journals, book chapters, books, and/or best practices to inform your community-engaged scholarship and practice?
Scholarship About the Issue
Disciplinary Theories, Conceptual Frameworks, or Models
Scholarship of Engagement (SoE), if applicable
Scholarship of Teaching and Learning (SoTL), if applicable
Population, Community, Context, or Setting
Paradigms, Methodologies, or Approaches
Collaboration Techniques, Engagement Processes, or Methods
Reflection, Evaluation, Assessment, Lessons Learned

Keep in mind this is a brainstorming activity. You do **not** need to have scholarship in **all** categories—just the ones that make sense for your project. Source: Doberneck et al, 2017, *MJCSL*
