

Perks user guide

Do you like to save money? Do you enjoy the thrill of getting a great deal? With TELUS Health, you can make your money go further - and it's so easy to do.

TELUS Health is a total wellbeing solution that includes a confidential employee assistance program (EAP), a private social and communication network for your organization, and access to exclusive Perks & savings. TELUS Health sources special deals, offers, and discounts from top brands and retailers, and makes them available exclusively to our clients through our convenient web and mobile app.

How to Access Perks & Savings.

[Log in](#) to the TELUS Health One by [browser](#) or by mobile app. Click Perks in the main platform navigation. From the Perks homepage, you can choose to shop online for Cashback, purchase digital gift cards, or browse exclusive offers.

Note: If you log in to TELUS Health One using a shared/group username and password, to take advantage of Perks & savings, you will be prompted to create a personal account.

Cashback

Cashback is our special way of rewarding you with money when you make online purchases through our platform from everyday items to luxury brands. Categories range from electronics and fashion to health, beauty, sports, tickets, travel, and so much more.

Here's how it works: When shopping online through TELUS Health One, you can see a displayed cashback rate associated with each merchant. When you make a purchase, you will use a unique "Get Cashback" link and earn a percentage of your confirmed purchase.

Cashback merchants include:

We credit the calculated cashback into your electronic wallet. Once you have accumulated \$5 or more, you can transfer your earned cashback to your PayPal account.

Note: Make sure you don't refresh the page or navigate away from the retailer's website because the cashback trail might break - if this happens, you will need to go back to the selected link in the app and start over.

Make sure to complete your purchase within 24 hours of visiting the retailer's website for your cashback to track correctly.

Gift cards

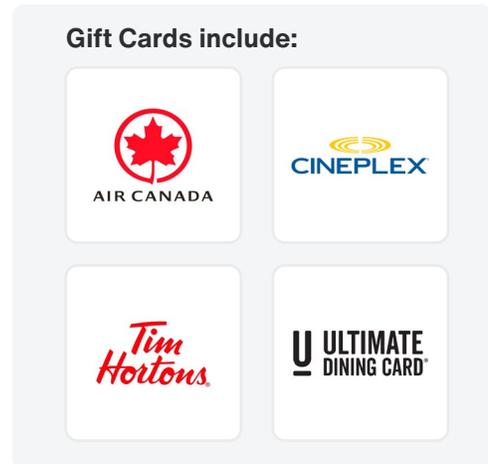

Save on your daily shopping with discounted digital gift cards.

Purchase gift cards through TELUS Health One and receive a discount off the purchase price, which will be quoted on the platform.

Gift cards are digital and instant meaning that as soon as you've made your purchase, we will email you a link with your redemption code.

How to purchase a gift card on the TELUS Health One app:

1. Click on the gift card section from the Perks menu. Search for a gift card via the categories section, or from the search bar at the top of the page.
2. Select the gift card you want and review the product detail page for information and terms and conditions.
3. Select how much to apply to the gift card to see the final value and amount.
4. Confirm your email address, enter your payment information and save the details securely for your next purchase.
5. Click on "Buy Now" and review the confirmation page.
6. Watch your inbox for a confirmation email containing a link to your gift card.
