Students may take 6 or 12 hours per one internship per semester with a maximum of 12 hours. This course is not open to students who have more than six credits in CJC 479.

Course Objectives

You will be able to accomplish the following course objectives by the end of the semester:

1. Articulate the operations and practices of the assigned criminal justice agency

3. Develop attitudes toward the supervisory relationships which will facilitate professional growth

- setting
5. Apply knowledge of agencies and services to a particular situation in the internship environment
 6. Recognize the responsibilities of an educated person to their community

Course Modality/Structure

This is a mixed modality course. Students will be present on-site and in-person at their internship placement agency. Coursework for the internship is online on Canvas. There is a mandatory, in-person midterm meeting that occurs on campus.

Course Time Commitment

According to the Indiana Commission for Higher Education (ICHE), it is expected that students will spend approximately 2 hours of study time outside of class for every one hour “in” class (per credit hour). For more specific course workload calculation, you can use [this resource from Rice University](#). Since this is a 3 credit hour class, you should expect to study an average of 6 hours outside of class each week

Course Materials

For this course we will reference the internship manual of the Department of Criminal Justice and Criminology. It is available on the course’s Canvas page.

Course Requirements and Assessments

See the Internship Manual in Canvas for a full list of intern responsibilities that fall outside of the requirements/assessments below.

- a. Onsite participation at agency: Full-time (12-credit hour) students must work no less than 480 hours at their internship agency to receive a passing grade. Part-time (6- credit hour) students must work no less than 240 hours at their internship agency. Hours must be verified by the site coordinator.
- b. Time verification (0 points): You are required to turn in signed time certification reports four times this semester. All time verifications must be completely in a timely manner in order to receive a passing grade. The form must list the week, days, and hours, worked and be signed by both you and site supervisor. Due dates and the time certification form are available on Canvas.
- c. Intermittent Reports (250 points): You must complete 6 brief reports on Canvas throughout the semester. Instructions and rubrics for each are available on the course page within each assignment.
- d. Cooperation Score Justification Statement/Cooperation Score (250 points): You are to submit a 3-5 paragraph typed justification of how you would score your performance during the internship. You are to describe and reflect upon your participation in the On-

Campus Mid-Term Meeting, Site Visit, timely and attentive communication with the Internship Coordinator, your instructor, your cooperation with your internship agency and site supervisor. Your instructor will consider your justification statement in the assessment of these 250 points. The rubric for this assignment is available in Canvas.

- e. Final Report (250 points): You are required to complete a final report for your internship experience. An outline of necessary topics and page requirements, as well as the rubric for this assignment, is posted in Canvas.

Internship Termination

If the intern fails to meet the requirements and the responsibilities of the internship program, the intern will be terminated from the program immediately and can receive an “F” for the course.

There are a number of reasons why a student intern can be terminated from an internship or the internship program, even during the internship term. Some of the reasons for termination can include: arrest, criminal charge, criminal conviction, violation of university rules and regulations (given interns are still students), violation of the internship ethical agreement, inappropriate relationships with fellow individuals at the agency placement or with clients, excessive absenteeism, failure to recognize and appreciate the supervisor-supervisee relationship, insubordination, dishonesty (academic or otherwise), any violation of hosting agency policies and procedures, lack of full disclosure in the application process, and moral turpitude. This is not necessarily a comprehensive list.

Decisions to terminate an internship are normally made in collaboration between the Internship Program Coordinator and the hosting internship agency. However, the Internship Program Coordinator can terminate an internship with just cause.
